Welcome!

The Brussels Library is open to individuals with ID access to USAG-Brussels. We extend a special welcome to personnel with the U.S. armed forces, NATO, the State Department and the active duty Canadian community. We invite you to contact us by e-mail or phone to register for an account.

As a safety precaution, we are open by appointment only at this time and all programming is virtual. Currently we offer

BookIt!, the Brussels Library virtual book club.

Contact us for details!

Please note that procedures for use of face coverings, cleaning, minimizing touch and quarantining materials are in place to help keep our community safe.

We are happy to help with reference services, technical support for online services, placing holds on inter-library loans and item purchase requests. Simply call or e-mail:
