If unable to contact TRICARE prior to the visit, you will be treated as a private or uninsured patient. The hospital might be ask for a fee upfront (normally 50 Euro) and promissory signatures for payment. After the visit, you must make contact with TRICARE ISOS to inform them so they can issue a authorization and you can file a claim.
- Pharmacy: Prescriptions can be filled at a local pharmacy, and send a claim for reimbursement to TRICARE.

Finding a Home

When renting a home, a deposit of up to 3-months rent is typically required. If you select a home that is not coordinated through the housing office, ask the landlord if they are willing to include the military clause into the lease. It is not recommended to sign a lease without the military clause.

Once you find a home, contact the Housing Office to assist you with coordinating the lease with the landlord.

Note that some homes may not come with an equipped kitchen and/or lighting fixtures. Discuss this with the housing office representative to explore available options.

If you have children attending school, be sure to confirm that a school bus-stop is established nearby if you intend on your child taking the bus to school.

CFMO can provide appliances for the duration of your assignment, and the Lending Closet can lend household items on a temporary basis.

Better Opportunities for Single Soldiers (BOSS)

The mission of the BOSS program is to enhance the morale and welfare of single Soldiers, increase retention and sustain combat readiness. BOSS is the collective voice of single Soldiers through the chain of command, which serves as a tool for commanders to gauge the morale of single Soldiers regarding quality of life issues. Additionally, BOSS also sponsors a variety of activities before, during and after deployment to maintain the morale of single Soldiers affected by increased operational tempo and deployment stress.

The BOSS program is facilitated through its three core components aimed at maintaining a balanced life: leisure and recreation, community service and quality of life. BOSS affords Soldiers the opportunity to assist in planning and execution of recreational activities for single Soldiers and provides direction for Soldiers interested in performing military and civilian community service-related projects. Community service projects provide Soldiers valuable experience, skills and a sense of community pride and ownership.

The BOSS program also serves as a tool to address many of the issues and concerns that our Army faces today. The program gives the Army the ability to tackle tough issues through peer to peer leadership. Single Soldiers assist the chain of command in dealing with suicide prevention, sexual assault and sexual harassment issues that single Soldiers living in barracks might experience.

Garrison BOSS programs are managed by a Senior Enlisted Advisor, MWR Advisor and BOSS President. BOSS serves the Single Soldier Community - active, guard and reserve - and single parents, geographical bachelors, and other branches of service and Foreign Service Members.

Welcome to Belgium

Basic Principles: Your Contracts (cont'd)

Belgian vehicle insurance policies usually cover a one-year term. To stop or cancel your insurance contract, you must send a registered letter to the insurance company at least three months before the end of the coverage period. Failure to do so will likely result in automatic renewal.

Personal Liability. Under both Belgian and US law, courts may order persons to compensate others for personal injury or property damage caused by that person's negligence. Negligence is defined as failure to use the degree of care that a reasonable and prudent person would display under the circumstances. In the past, for example, courts have found the following to be negligent:

- (1) Driving while intoxicated;
- (2) Driving with bad tires;
- (3) Driving without a valid driver's license; and
- (4) Driving a vehicle which has not passed or could not pass the Contrôle Technique (CT) automobile inspection.

Alcohol-Abuse Test

Driving in Belgium with a blood alcohol concentration of **0.05 grams** is prohibited. (This could be one Belgian beer)

Drivers caught driving above the legal limit will face immediate suspension of their driving privileges for 3 hours and a fine of €125 to €2,500.

Drivers who refuse the breath test or drive during a suspension period will face immediate suspension of driving for 6 hours, a fine of €1,00 to €10,000 and imprisonment for 2 to 6 weeks. Repeat offenders face double fines and prison terms.

When stopped, you must submit to a preliminary breath test. If the results are above the legal limit, a breath-analyzer test will be administered. A 2nd test can be requested. If the result differs from the 1st test, a 3rd test is given. If the 3rd test differs with both the 1st and 2nd tests, a blood test is required.

Welcome to Belgium

The Belgian Traffic Code

If you are involved in an accident:

You are required to stop, do not leave the scene of the accident.

Call the police.

Do not settle (damages) with the other party, go through the proper channels (insurance).

Good Samaritan Law: Under Belgian law, you commit a criminal infraction if you do not stop to render assistance to an injured person. You should assist only commensurate with your abilities. Injuries resulting from assistance rendered in excess of your qualifications and ability, or rendered negligently, may be the subject of a civil suit.

Basic Traffic Rules

Unless otherwise indicated, the following speed limits apply:

30 km/h in school zone;

50 km/h in most construction zones

50 km/h in towns, cities, and incorporated communities

120 km/h on the Autoroutes and other four-lane roads;

All other roads: the speed limit is 90km/h unless otherwise indicated.

Maximum punishment for speeding: confinement for one month and/or a fine of up to €2,500.

At an intersection, the right of way belongs to the driver coming from the right unless otherwise indicated.

Public buses have the right to cut into traffic when departing a bus stop.

No vehicle may be operated on public roads unless the driver has a valid driver's license.
