WHO WE ARE AS AN ORGANIZATION

At CYS, we have the most important clients in the world: military Families and their children. Our 11,000 staff members serve over 200,000 children and youth globally.

Members of our well-trained, professional staff work hard to make sure we deliver:

- **QUALITY** programs and child care
- **AVAILABILITY** of child care options and youth programs
- **AFFORDABILITY** for Soldiers and the Army
- **ACCOUNTABILITY** for our actions and outputs

Our Mission:

CYS integrates and delivers base support to reduce the conflict between parental responsibilities and unit mission requirements and enables readiness for a globally responsive Army.

Our Vision:

A Driving Force for excellence in school support, youth programs and child care for the Army, Department of Defense, and the Nation.

Our Commitments:

We are committed to providing responsive and relevant child and youth programs that follow established standards to support the Army mission of all assigned installations.

We are committed to providing developmentally appropriate programs and services at the right time and place for our Soldiers and their Families.

We are committed to getting the most out of every Army dollar.

Our Tagline:

“Support for Army Families Found Here” is about us and the work we do.

“An Army Readiness Enabler” describes our purpose and who we support.

Our Workforce:

CYS professionals are among the best in the world. We treat them as such by emphasizing engaged and caring leadership, fair and appropriate recognition, professional development, accountability, and empowerment. CYS professionals make a meaningful difference in the lives of military children and youth.

Our Role:

CYS delivers responsive and relevant child and youth programs and school support. Operational support flows from IMCOM CYS and the IMCOM Directorates (IDs) to the garrisons. It is at the garrisons where tactical support occurs through child and youth options that contribute to military readiness and retention, workforce productivity, and financial stability. Garrisons provide data and feedback to IMCOM CYS and the IDs, creating a cycle of continuous improvement and building the effectiveness of services over time.

Our Posture:

CYS is an agile organization that has sustained effective child and youth programs for 40 years.

CYS adjusts to manning and funding levels through normal, prudent, business decisions.

As the world, nation, and Army change, so will CYS.

MOVING WITH CYS

The NAF Civilian Employment Assignment Tool (CEAT) allows many NAF employees to voluntarily request a noncompetitive transfer to another Army installation where the same position may be available.

Eligible employees include:

- Child and Youth Program Assistants (CYPAs)
- NF-03 and below
- NAF FWS – NA, NL, and NS pay bands

With CEAT, employees can avoid a break in service during a move. Education, certifications, background checks, and other screenings follow you, too, which makes for an easier move. CEAT is not an entitlement, though, and relocation expenses are not authorized. You may be eligible if you:

- Make a voluntary request to transfer through CEAT
- Have a performance evaluation of "Satisfactory" or higher
- Have no disciplinary/adverse actions within 12 months and none under appeal

If you're interested in CEAT, contact your supervisor and your current and destination HR offices. If the same position is not available at your destination, you may take up to one year leave without pay to wait for one to open up.

You may also apply for CYS jobs using your Military Spouse Preference for NAF pay band positions NF-03 and below, wage grade (NA, NL, NS), and child care (CY) positions for which you are qualified. Find current options on USA Jobs, at local job fairs, or through your servicing NAF HR Division.

ARE YOU A MILITARY SPOUSE?

Military spouses can apply for temporary or permanent CYS employment through a non-competitive process for federal government positions. **You're eligible if you are:**

- Relocating with your spouse under PCS orders for two years after the report date
- A spouse of a service member who is 100% disabled due to a service-connected injury
- A spouse of a service member killed while on active duty and have not remarried

Your eligibility does not entitle you to a job. You must still apply and meet qualification standards, a background investigation, and other requirements.

Look on armymwr.com/CYScareers for details about the program and how to apply.
